PROGRAM OVERVIEW

{YouCreate} is a 3 week interactive experience that introduces disadvantaged students who live in the Markham community to the world of creating and producing video recorded podcasts. Students will have the opportunity to learn how to use audio and video equipment to ultimately create a show that can be shared with their friends and family.

Program Features:

- Interactive lessons and discussions
- FREE Adobe software training
- Snack and treats provides
- Access to multimedia equipment

What areas will the program focus on?

Skill Building

Basic Media Training

Attending the summer program builds confidence in students ability to create meaningful content and pursue goals in media.

Character Building

Role Development

Students will be a part of a team dedicated to creating quality content and will be assigned specific roles that all work together to accomplish the bigger mission.

College & Career Exploration

Exploring the possibilities

Through interactive lessons, articles, and videos, students will participate in discussions and activities that will expand their knowledge about different available career options for the youth.
